

Overdoing

How American Women Break Down

Owing to the modern manner of living and the nervous haste of every woman to accomplish just so much each day, they overdo, and as a consequence develop ailments peculiar to their sex, as is indicated by backache, headache, nervousness, the blues, displacements and weakness.

Women who find themselves in this condition should slow down, and depend upon that good old fashioned root and herb remedy, Lydia E. Pinkham's Vegetable Compound, to restore them to health and strength, for there is no other remedy known that so quickly restores a healthy, normal condition.

Here is the Story of a Most Remarkable Recovery

Minneapolis, Minn.—"I was run down and nervous, could not rest at night, and was more tired in the morning than when I went to bed. I have two children, the youngest three months old, and it was drudgery to care for them as I felt so irritable and generally worn out. From lack of rest and appetite my baby did not get enough nourishment from me, so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children and I am very happy with their and feel fine. I nurse my baby exclusively again, and can't say too much for your medicine."

Prohibition Is the Chief Issue in the Ohio Election

New York, Oct. 31.—Five states—Massachusetts, New Jersey, Maryland, Kentucky and Mississippi—will elect governors at the "off-year" elections next Tuesday, Nov. 4. The only congressional election will be in the 5th district of Oklahoma, where a successor is to be chosen to the late Representative Joseph B. Thompson.

Prohibition is the chief issue in Ohio, where the voters will pass upon two amendments and two referendums on the subject. The referendum relates to the executive definition of the federal prohibition amendment and the prohibition enforcement bill passed by the legislature. Amendments propose that 2.75 liquor shall not be defined as intoxicating and that constitutional state wide prohibition be repealed. Kentucky also votes on the question of state-wide prohibition.

Massachusetts, New Jersey, Virginia, Kentucky and Maryland will elect new members to both legislative branches. New York will vote for members of the state assembly and justice of the state supreme court. Illinois and Nebraska are to elect delegates to constitutional conventions, and in Texas the voters are asked to approve a call for a constitutional convention.

The Eden

Clothes wear longer

Clothes, blankets and linens wear out long before their time if they are scrubbed and rubbed by hand or slaked around in poorly designed machinery.

Washed by an Eden, they are gently dipped up and down through hot suds in the same ideal way women use to wash a bit of lace or silk. Failing through the bubbling hot water and soap countless times, they are perfectly cleansed without hard labor, without rubbing or wear and tear, and at surprisingly low cost.

Try an Eden at home next wash day free Without obligation or expense Demonstrate in your own home to your own satisfaction that Eden Dyeing and Laundering is necessary for your clothes' sake. Telephone, write or visit us.
